

The Somerset County Park Commission is accepting entries in the *Show Us Your Best Shot: 2020 Photo Contest*. Pictures must be taken in a park managed by the Somerset County Park Commission. The four categories include: Scenic, Wildlife, Horticulture, and People. The deadline for submissions is November 30, 2020. If you are unsure as to which parks are Park Commission property, please visit our website at www.somersetcountyparks.org

The best photos will be awarded Park Commission prizes and will be featured on the Park Commission website and social media. Prior photo contest winners have been featured in the seasonal Park Guide. However, there is no in person programming or events for the remainder of the year and thus, the Park Guide is not being published at this time.

Photos must be 200 dpi or higher resolution and are to be sent as attachments to an email. Emails can be sent to Dina Fornataro-Healey, Manager of Recreation and Community Outreach, at dhealey@scparks.org. In the subject line please include "Photo Contest" and the category, i.e. "Wildlife", that the photo is being submitted. If you have any questions, please email Dina. Enjoy the parks....and capture some wonderful memories! We can't wait to see them.
