DONATE NEW SCHOOL SUPPLIES 2011 STUFF THE BUS

In support of United Way of Northern New Jersey, Somerset County's Life Readiness Initiative to prepare children for academic success.

Thank you for your donation of new school supplies to help provide children in need with a fresh start for the upcoming school year.

Throughout the summer, items will continue to be collected for distribution to local elementary and middle schools for children from low-income families in our community.

Items most needed included: backpacks, pencils, pens, composition notebooks, pocket folders, dictionaries, crayons, binders, glue, personal care items and new socks and underwear for small children. **Gift Cards** for shoes will also be collected.

More than 6,000 children in Somerset County schools are eligible to receive new school supplies through this program.

For more information on how to help, please contact Irene Natale at (908) 253-6511 or e-mail irene.natale@unitedwaynnj.org.

Thank you for bringing food items to help struggling families in our community. Over the summer, shelves at our local food pantries become sparse and yet the need to help struggling families goes on year-round. Items donated today will be given to local food pantries to help meet that need.

For information on sponsoring a food drive, please contact Irene Natale at irene.natale@unitedwaynnj.org or call 908-255-6511.
