Join us for something completely different. Even if you have never heard of “bouldering,” come out and join local boulderers” (rock climbers) and other volunteers for a day of trail maintenance and invasive species removal. If you want, you can challenge yourself by participating in the Bouldering Competition the next day. Be prepared to get dirty. Take home some valuable info and giveaways.

Please RSVP for this program by calling 908 231-0802 ext. 22 or email [ddendler@scparcs.org](mailto:ddendler@scparcs.org)
