## On the Rocks

**Saturday, April 10**

**10am – 12noon**

**Fee: \$20**

If those rocks in your backyard are too big to dig and cart away, here's the ideal solution. Come learn about plants that thrive when growing among or upon rocks. Included in the program is a slide-illustrated, virtual visit to the Colorado Rocky Mountains, and easy care tips on how plants thrive in rocky locations.

Pre-registration required 908 234-2677.

## Herbs for Flavor and Fragrance

**Saturday, June 5**

**10am – 12noon**

**Fee: \$20**

They're attractive, grow well, are generally pest resistant, and offer flavor and fragrance to enrich our lives. Everyone likes herbs, but not all of us know the diversity of techniques for preserving and using them. This class will offer recipes and suggestions for fresh herbs from garden or grocery store along with tips and techniques for freezing, drying, using, and enjoying herbs. There will be some samples to taste and enjoy. An instructor's material fee will be collected at the door.

Pre-registration required 908 234-2677.

If you have individualized needs due to a disability, please call 908 526-5650 and we will be happy to arrange reasonable accommodations. Three weeks notice is required to ensure that appropriate accommodations can be provided.
