

**Somerset County Park Commission**

**Leonard J. Buck Garden**

**NOTABLE PLANTS IN THE GARDEN**

**April 19, To May 09, 2024**

| <b>Botanical Name</b>                    | <b>Common Name</b>           | <b>Main Location</b>                   |
|------------------------------------------|------------------------------|----------------------------------------|
| Epimedium 'Pink Elf'                     | Bishop's hat                 | Above Big Rock                         |
| Rhododendron 'Yaku Princess'             | rhododendron                 | Above Big Rock                         |
| flowering dogwood                        | Above Big Rock, Azalea Field | Cornus florida                         |
| Mertensia virginica                      | Virginia bluebells           | Above Big Rock, Kennel Field, Big Walk |
| Aesculus pavia                           | red buckeye                  | Azalea Field                           |
| Anemone virginiana                       | thimbleweed                  | Azalea Field                           |
| Brunnera macrophylla 'Variegata'         | Siberian bugloss             | Azalea Field                           |
| Cercis x 'Pink Pom Poms'                 | eastern redbud               | Azalea Field                           |
| Cercis canadensis 'Appalachian Red'      | redbud                       | Azalea Field                           |
| Cercis canadensis 'Forest Pansy'         | redbud                       | Azalea Field                           |
| Cercis canadensis 'Pauline Lily'         | redbud                       | Azalea Field                           |
| Cornus florida 'Cherokee Brave'          | dogwood                      | Azalea Field                           |
| Cornus florida 'Cherokee Chief'          | dogwood                      | Azalea Field                           |
| Cornus florida 'Cherokee Princess'       | flowering dogwood            | Azalea Field                           |
| Epimedium 'Lilafee'                      | Bishop's hat                 | Azalea Field                           |
| Pulmonaria angustifolia                  | lungwort                     | Azalea Field                           |
| Rhododendron 'Coral Bells'               | Kurume hybrid azalea         | Azalea Field                           |
| Rhododendron 'Snow'                      | Kurume hybrid azalea         | Azalea Field                           |
| Rhododendron 'Treasure'                  | Glen Dale hybrid azalea      | Azalea Field                           |
| Thalictrum thalictroides                 | rue anemone                  | Azalea Field                           |
| Viburnum plicatum v. toment. 'Mariesii'  | doublefile viburnum          | Azalea Field                           |
| Cornus florida 'Appalachian Spring'      | flowering dogwood            | Azalea Field, Circle Rock              |
| Rhododendron schlippenbachii             | royal azalea                 | Azalea Field, Epimedium Path           |
| Rhododendron vaseyi                      | pink shell azalea            | Azalea Field, Epimedium Path           |
| Epimedium x youngianum 'Niveum'          | Bishop's hat                 | Azalea Field, Little Rock              |
| Stylophorum diphyllum                    | celandine poppy              | Azalea Field, Reno Rock, Service Road  |
| Aurinia saxatilis                        | basket of gold               | Big Rock                               |
| Camassia leichtlinii                     | quamash                      | Big Rock                               |
| Dianthus gratianopolitanus 'Bath's Pink' | cheddar pink                 | Big Rock                               |
| Fothergilla gardenii                     | fothergilla                  | Big Rock                               |
| Iberis sempervirens                      | candytuft                    | Big Rock                               |
| Iris pumila 'Galleon Gold'               | dwarf iris                   | Big Rock                               |
| Muscari botryoides                       | grape hyacinth               | Big Rock                               |
| Phlox procumbens                         | phlox                        | Big Rock                               |
| Potentilla alba                          | cinquefoil                   | Big Rock                               |
| Pseudofumaria lutea                      | yellow corydalis             | Big Rock                               |
| Tiarella cordifolia 'Oakleaf'            | foam flower                  | Big Rock                               |
| Iberis sempervirens 'Purity'             | candytuff                    | Big Rock, Circle Rock                  |

|                                        |                          |                                     |
|----------------------------------------|--------------------------|-------------------------------------|
| Veronica 'Waterperry'                  | speedwell                | Big Rock, Circle Rock               |
| Narcissus 'Jack Snipe'                 | daffodil                 | Big Rock, Epimedium Path            |
| Primula sieboldii                      | primrose                 | Big Rock, Polypody Rock             |
| Ipheion uniflorum                      | spring starflower        | Big Rock, Reno Rock                 |
| Phlox subulata                         | moss phlox               | Big Rock, Reno Rock                 |
| Potentilla neumanniana 'Nana'          |                          | Big Rock, Reno Rock                 |
