AWESIM TEENS Summer Program Application

Animals Wetlands Environment Science Imagination Minds

Monday, June 24 through Friday, June 28; 9:00am-4:00pm

Monday, July 1; 2:00pm-9:30pm Tuesday, July 2; 9:00am-4:00pm Wednesday, July 3; 5:30am-1:00pm

This engaging eight-day program will give participants insight into the career path and skills of an *Environmental Scientist*, from land management to biological research and reporting. Activities will include interpretive hikes, canoeing, and flora and fauna identification skills. Documentary film making, independent research, and an invasive species – native replanting project to enhance Screech Owl habitat in the park.

Attend an *Open House* for more information about this exciting new program!

Saturday, January 13 2:00pm-4:00pm

Saturday, February 17 10:00am-11:30am

Saturday, March 9 2:00pm-4:00pm

A limited number of participants will be selected on a rolling basis through the application process.

The program fee of \$640 per person is due upon acceptance into the program.

Complete one form per applicant and return to cwood@scparks.org by June 1. Please be thorough in your question responses.
